## USE OF BOOTHS

Exhibits shall be of a nature which promotes the common business interests of our industry, including products or services which are used by members of our industry for business purposes, or which are otherwise directly related to those interests. The judgment of AOC Show Management as to whether an Exhibitor or an exhibit satisfies this requirement, and in other respects hereinafter referred to, shall be final.

All exhibits, demonstrations, and other activities by an Exhibitor shall be confined to its exhibit booth(s). No Exhibitor shall assign, sublet, or share the whole or any part of the booth space allotted. Only one company name shall be listed per booth.

Exhibitors who have subsidiary ownership of a company operating under a different name, have the option to purchase a co-exhibitor listing. This listing will allow for the subsidiary company name to be listed on the floorplan and be searchable by name only.

Any exhibit, device, material, or activity, including sounds, fumes, or odors, which, in the judgment of AOC Show Management, is unethical, in bad taste, annoying or otherwise offensive to Exhibitors, the Event or the industry, is prohibited. Compressed Gas Cylinders, open flames and helium balloons are specifically forbidden.

The schedule will be published prior to arrival to all exhibitors of record "open booth sales" to all exhibitors who are not sponsors will be on a first come, first serve basis after sponsors have had an opportunity to review the floor plan and select their location.

AOC Show Management reserves the right to shift space assignment after the contract has been signed if we find it necessary to do so. AOC retains the right to place AOC areas adjacent to, in the aisles, or behind exhibitor's booths in the exhibition hall. AOC items include but are not limited to food and beverage areas, promotional and literature displays, education stages, membership areas, and video monitors.

With each booth, without additional charge, AOC will provide (through the Official Contractor) a 10' x 10' booth with drapery background 8' high and 3' high side rails with aluminum framework, and one 7" x 44" sign with company name, and booth number(s) as specified in Application for Booth space. All other furnishings, equipment, facilities, etc., will be provided by an Exhibitor at its own expense and responsibility. They may, at Exhibitor's discretion, be obtained through the exhibit service contractor.

All Exhibitors shall arrange displays using only the booth area contracted for, and in such a manner which recognizes the rights of other Exhibitors and conforms to the overall pattern developed.

Please note: all booth spaces must have floor coverings such as carpet. Exhibitors may provide their own floor coverings or rent some from the service contractor, Audie Expo. If a booth is set up without carpet or an acceptable floor covering, AOC will instruct the general service contractor to install carpet at the Exhibitor's expense.

Masking drape must be either ordered or provided by the exhibitor to cover any unsightly areas behind the booth structures. Masking drape can be ordered from the Audie Expo on-site service desk. Prior to show opening, AOC Show Management will do a walk through and if, in their sole discretion, find areas that need to be draped will order Audie Expo to provide said drape and cost will be charged to Exhibitor's invoice. In order to control costs, AOC has negotiated with Audie Expo a flat fee of \$50 per 3' wide x 8' high drape.

Display materials in an Exhibitor's inline booth may be used to a height no greater than 8' in the rear one-half of the booth and no higher than 4' in the forward one-half. The AOC Exhibit Operations Manager will consider approving exceptions to the 8' height for some special piece of display unit. Requests for exceptions must be submitted to AOC Show Management by October 31, 2024. Company name, sign, insignia, etc. shall not exceed the back wall height of 8'.

Island Booths: Definition - Booths that have aisles on all four sides. For island booths the cubic content of the booth can be utilized to an unlimited height where space permits, however, the maximum allowable booth height in the Gaylord,

will be 25'. AOC adheres to the guidelines in the IAEE, in particular, island booths are required to be 75% open area in order to not block other exhibitor booths. Booth components and signs above eight feet, three inches (8'3") in height from the floor, may not exceed 75 percent (75%) of the booth's horizontal dimensions along each aisle (a minimum of 25% horizontal open space is required above 8' 3" from the floor to the maximum booth height of 25' from the floor). This maximum use of space maintains "transparency" or the openness of sight lines around and through the design so that the surrounding area can be viewed through the booth and neighboring booths are not inappropriately obstructed. The determination of compliance with the transparency requirement is at the sole discretion of AOC Show Management.

Island spaces utilizing a hanging booth sign must ship to Audie Expo for installation prior to exhibitor set up as outlined in the hanging sign order form. In order to maintain continuity and the overall appearance of the tradeshow floor, all hanging signs over island booths will be hung with the top of the sign at 25' from the exhibit hall floor, unless otherwise specified by the Exhibitor and still is contained to the 25' height restriction. All signs will be centered above contracted island booth space.
